Sub.: Update on Inventory Shortage & Process related matters at our Valia Factory

Ref.: Our Intimations dated August 4, 2025 & November 5, 2025

Dear Sir / Madam,

This is further to our above referred intimation wherein Godrej Industries Limited ("we" / the "Company" / "GIL") had filed a First Information Report (FIR) in August 2025 against an ex-employee for non-compliance with requisite standard processes of the Company. The Company also filed an FIR in November 2025 for inventory shortfall (loss of ~ Rs. 8 crore) as potential theft of certain raw materials during its transit from Port to Company's Valia Factory situated in Gujarat.

The Police investigation is ongoing for both the above-referred FIRs and we await the findings of the investigation. Separately, GPCB has sent a notice with their observations on process related compliances at our Valia Factory. The Company has responded to the observations and has presented an action plan to GPCB to conclusively resolve the same.

We confirm that all the above referred to matters do not have any material impact on the operations or performance of the Company and do not meet the materiality threshold prescribed under Regulation 30(4) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

This update is being provided by the Company, so that Stakeholders get the information stated herein from the Company rather than general news from any other source.

We request you to take the above on your record.

Thanking you.

Yours faithfully,
For Godrej Industries Limited

Anupama Kamble
Company Secretary & Compliance Officer
